should my account be placed with your outside collection agency and/or law firm in order to collect the outstanding balance owed to National Insurance & Tax Service, Inc. under this Agreement. The collection agency fee will be thirty-five (35) percent and will be based on the percentage of the balance of the debt being turned over to the collection agency at that time. Additionally, I/we agree to pay simple interest at the rate of 1 ½ % per month on the outstanding principal balance of my account starting from the final date of service or final statement date whichever is most current. If the phone number(s) I/we am providing include my cell number(s), I/we consent to receiving auto dialed or prerecorded message calls from your outside collection agency and/or law firm who may call when attempting to collect on any past due accounts your office has placed with them. With the IRS removing the Debit Indicator (DI), there is a chance that a RAC/RT will not be refunded in full. Some reasons for not getting a complete RT refund: IRS says you we back taxes IRS says you have a current garnishment IRS is auditing your Earned Income Credit Earned Income Tax Credit (EITC) is claimed and an EITC qualifying child is a foster child You have an outstanding debt with any bank that provides RAC/RT PLEASE NOTE – WE DO NOT HAVE ANY CONTROL OVER THE ABOVE REASONS!
